Companies and job seekers of all skill levels encouraged to attend the April 8, 2026 Oshkosh Area Employment Fair on Wednesday April 8

Connections will be made at the Oshkosh Area Employment Fair 1-4pm, Wednesday, April 8, 2026, at Oshkosh Arena, 1212 South Main, Oshkosh. Both employers and job seekers are urged to prepare now.

Companies attending the fair will be able to connect with many job seekers during the three-hour community fair. Each year, this event brings in hundreds of job seekers across all skill levels. Companies can find registration details (both for this event and other upcoming recruitment events) at <http://www.foxvalleywork.org/regional-job-fairs.html>.

For job seekers (both from the community and those attending from local schools), we encourage you to attend with the intention to take your career to the next level. More than 50 employers across various industries, including office, service, manufacturing, healthcare, and other professional positions, are expected to be there and will be looking for their next new hires.

During the fair, job seekers of all skill levels have an opportunity to connect directly with hiring managers and learn about available positions. Some companies might even conduct on-site interviews, making this event a fantastic chance to make an immediate impact.

“Roles range from entry level to more skilled, seasonal, temporary, full and part-time. All job seekers regardless of age, education and work experience are welcome,” said Anthony Snyder, CEO of Fox Valley Workforce Development Board. “Some employers may offer on-site interviews while others will be accepting resumes and will schedule interviews at a later date. It’s not often you get to hand your resume right to a human being, versus submitting it online. These will be real companies with real positions available and it’s a unique opportunity for job seekers to connect directly with companies from across our region.”

Job seekers are encouraged to bring resumes to share and to dress for the career they want. A complete list of employers registered will be posted to <http://www.foxvalleywork.org/jobfair.html> after March 23. Individuals interested in a resume refresh are urged to contact the Oshkosh Job Center at 920-404-6801. Appointments can be made for in-person or virtual sessions.

Questions about the job fair should be directed to Bobbi Miller at Fox Valley Workforce Development Board at bmiller@fvwdb.com or 920-470-0837. The fair is a collaborative effort with primary sponsors Fox Valley Workforce Development Board and Amcor in addition to a number of other community sponsors.
