Hundreds of Opportunities Await at May 6 Fox Cities Employment Fair

MENASHA, WI — Job seekers and employers alike are gearing up for one of the region’s premier hiring events—the Fox Cities Employment Fair—taking place from 1–4 p.m. on Wednesday, May 6, 2026, at the Winnebago Fox Campus Fieldhouse, 478 Midway Road, Menasha.

This high-energy, three-hour event will bring together hundreds of job seekers and a wide range of employers representing industries such as manufacturing, healthcare, office administration, service, and more. Whether you’re entering the workforce, seeking a career change, or looking to advance, this event offers a valuable chance to make meaningful connections.

Employers attending the fair are actively hiring and eager to meet candidates face-to-face — something that’s increasingly rare in today’s digital-first job market. Many will be accepting resumes, scheduling interviews, and some may even conduct on-the-spot interviews, giving attendees the opportunity to make an immediate impression.

“Roles range from entry-level to highly skilled positions, including seasonal, temporary, full- and part-time opportunities,” said Anthony Snyder, CEO of the Fox Valley Workforce Development Board. “It’s not often you get to hand your resume directly to a hiring manager. These are real companies with real openings, and this is a unique opportunity to connect directly with employers from across the region.”

Job seekers are encouraged to come prepared—bring copies of your resume and dress for the career you want. A partial list of participating employers will be available at <http://foxvalleywork.org/fox-cities-employment-fair.html> (with more companies continuing to register). Those looking to polish their resume ahead of the event can contact the Oshkosh Job Center at 920-404-6801 to schedule an in-person or virtual appointment.

Employers interested in future hiring events—including the May 20 Fond du Lac Regional Job Fair—can find registration details at foxvalleywork.org/regional-job-fairs.html.

This event is made possible through a collaborative effort led by the Fox Valley Workforce Development Board and Amcor, along with support from numerous community partners.

###

Fox Valley Workforce Development Board (FVWDB) is a not-for-profit working to build a world-class workforce in northeast Wisconsin. Serving six counties — Calumet, Green Lake, Fond du Lac, Waupaca, Waushara and Winnebago — FVWDB collaborates with a number of state and local agencies to help job seekers gain the skills needed to find employment, and to help businesses find the highly skilled workers they need.

ATTENTION MEDIA: The employment fair also marks one of the first public events held at the former UW-Oshkosh Menasha campus since its closure in June 2025. Members of the media are invited to attend and experience the space under its new management.
