More than 70 employers ready to hire at April 18 Fond du Lac Job Fair; Job seekers of all skill levels encouraged to attend

More than 70 employers across various industries, including office, service, manufacturing, healthcare, and other professional positions, will be looking for their next new hires at the Fond du Lac Regional Job Fair from 1-4 pm on Thursday, April 18, at the Fond du Lac Expo Center on the County Fairgrounds, 601 Martin Avenue, Fond du Lac.

Job seekers of all skill levels can connect directly with hiring managers and learn about available positions. Some companies will even conduct on-site interviews, making this event a fantastic chance to make an immediate impact.

“Roles range from entry level to more skilled, seasonal, temporary, full and part-time. All job seekers regardless of age, education and work experience are welcome,” said Anthony Snyder, CEO of Fox Valley Workforce Development Board. “Some employers will offer on-site interviews while others will be accepting resumes and will schedule interviews at a later date. It’s not often you get to hand your resume right to a human being, versus submitting it online. These will be real companies with real positions available and it’s a unique opportunity for job

seekers to connect directly with companies from across our region, so we urge job seekers to take full advantage.”

Job seekers are encouraged to bring resumes to share and to dress for the career they want. A complete list of employers registered as of April 1 is available at <http://www.foxvalleywork.org/jobfair.html>. Individuals interested in a resume refresh are urged to contact the Fox Cities Job Center – Menasha at 920-997-3272. Appointments can be made for in-person or virtual sessions.

Questions about the job fair should be directed to Bobbi Miller at Fox Valley Workforce Development Board at bmiller@fywdb.com or 920-470-0837. The fair is a collaborative effort sponsored by Fox Valley Workforce Development Board and Fox Valley Job Centers.
